

OFFICE SHIELDS

**BRING YOUR TEAMS BACK TO WORK SAFELY**

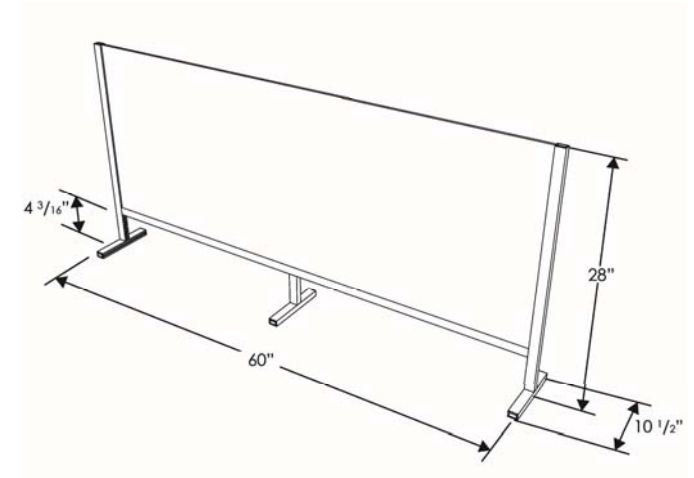

Office Shields™ Dividers can solve the workspace challenges of open floor plans by adding aesthetically appealing barriers between staff members and visitors.

Our design  
team is here  
to help you  
develop  
custom dividers  
to suit any  
workspace  
environment

Office Shields dividers provide high-quality, architecturally aesthetic solutions at an affordable price. Our access to materials that are scarce allows us to deliver with speed to meet your delivery date needs.

# MEETING THE NEEDS OF THE EDUCATION INDUSTRY

## Seton Hall Case Study

Due to COVID-19, Seton Hall was challenged with planning the safe return to campus of students and faculty. Their facilities team needed to add incremental social distancing measures, physical hygiene barriers and expanded classrooms to allow for in-person instruction. 12 feet of personal space was required for each student in compliance with state health guidelines.

The project team sought a full-service solutions provider with integrated resources to assist in the design, manufacturing and installation of their various protective product needs. This campus plan needed to be installed before the start of the fall semester. From approval of budget to complete installation was 8 weeks.

# OUR SOLUTIONS

## DINING HALL & FOOD SERVICE SPACES

- The Office Shields Design and Project Management Team worked in sync with Seton Hall to create hygiene shields in the dining room and food service area as a main priority to protect students and service team members.

### 3 core products were identified:

- **Continental** table-top and floor shields
- **Value** Hanging Shields
- **Value** Floor Support shield

### 2 Key Product Lines

- Plexiglass
- Vinyl

## CONTINENTAL TABLE-TOP SHIELDS

- The perfect solution for dividing dining tables for students to remain

## **CONTINENTAL TABLE-TOP SHIELDS**

The perfect solution to divide dining tables for students and faculty

## VALUE HANGING & FLOOR SUPPORT SHIELDS

An economical solution for protecting the food-service areas
